Course Request Basics

- Fall 2023 Course Request Dates:
 - March 21 - April 4
- Request courses at any point in this window:
 - No priority for early course request.
 - But...don't wait till the last minute!
- Changes can later be made during Add/Drop:
 - 4/21/23 - 5/26/23
 - 7/31/23 - 8/25/23

Fall 2023 Timetable

Virginia Tech Timetable of Classes

- Select Campus, Term, Subject, Section Type and optionally enter course number or CRN then press "Find".
- Limit your search with the course number to speed up download time.
Example: MATH 1 will give you all 1xxx MATH sections. MATH 12 will give you all MATH 12xx sections, MATH 120 will give you all MATH 120x sections and MATH 1205 will give you only MATH 1205 sections.

Typical Senior Fall Courses

FALL SEMESTER FOURTH YEAR		Credits	
AOE 4105 ⁽⁴⁾ Experiments for Aerospace Design <i>Pre: 3054; Co: 4065 or 4165</i>		1 ^[F]	
AOE 4065 ⁽⁴⁾ Air Vehicle Design, <i>Pre: 2104, 3054, 3114, 3124, 3134, 3164; Co: 4105</i> or AOE 4165 ⁽⁴⁾ Space Vehicle Design, <i>Pre: 2104, 3054, 3114, 3124, 3144, 3154, 3164; Co:4105</i>		3 ^[F]	
MATH Elective ⁽⁴⁾ <i>Choice of: MATH 4574⁽⁴⁾, MATH 4404⁽⁴⁾, or STAT 4705⁽⁴⁾</i>		3	
Track Technical Elective		3	
Technical Elective		3	
Pathways Concept ⁽²⁾ 6a*		3	
TOTAL		16	

Keep in Mind:

- ☐ MATH 4574 and STAT 4705 are offered both Fall and Spring.
MATH/AOE 4404 is only offered in Spring.
- ☐ Sign up for the senior design course that matches your current vehicle dynamics course.

Senior Fall FAQs

In DARS my Pathways Concept 1 - Discourse (advanced) is incomplete. Do I need to add a specific course for this?

- No, you do not need to add an extra course for advanced discourse.
- The advanced discourse requirement is covered by a combination of AOE 3054 and senior design/experiments courses.
- As long as you complete all of the AE or OE major required courses, you will complete your advanced discourse requirement.

Are there any courses that I can take over the summer?

- The following courses are typically offered by VT over the summer. Equivalencies for these courses will NOT be found at other institutions.
 - MATH 4564 - required course
 - STAT 4705 - required for OE majors, math elective option for AE majors
 - MATH 4574 - math elective option for AE majors
- Some CS technical elective options (e.g. CS-1114) and many Pathways courses are available at VT and/or other institutions over the summer.
- Be sure to follow the [proper steps](#) when taking courses elsewhere.

I plan on taking Launch Vehicle Design for my senior design sequence. What should I do during course request?

- Launch Vehicle Design (AOE 4365-66) is available as a senior design sequence for students who have taken all of the prerequisites, including either AOE 3134 or AOE 3144.
- Course request AOE 4365 for Fall 2023 as you would your other fall courses.
- Once enrolled in AOE 4365, ask your academic advisor to request that AOE 4365 be subbed as senior design in your DARS (since it does not appear as an option on your official checksheet).

How should I decide which track and general technical electives to take in the fall?

- Run a DARS!
- How many electives are still needed for your chosen track?
How many total electives do you still need?
- Remember technical electives are offered fall or spring, but not both terms.
- **If your track has a foundational course, determine when you need to take it.** Use the curriculum resources at the end of this presentation.
- **You may only count 6 credits of non-AOE technical electives** (track & general tech combined)
- Use our [AOE Technical Electives Guide](#).
- When in doubt, contact your advisor!

Can I take AOE 5xxx level technical electives?

- If you are enrolled in the UG/G program you may take AOE 5xxx courses that work with your UG/G plan.
- If you are a senior with a GPA greater than or equal to 3.0 you may take AOE 5xxx courses with instructor permission.
- You will need to contact the [AOE graduate program coordinators](#) to be added to 5000-level courses during the add periods.

I looked at my DARS and I currently have course in multiple tracks? What's going on?

- Some courses are options in multiple tracks. So, they may show up under different tracks at first.
- If a course can count as a track elective, DARS will place it there before putting it under general technical electives.
- Once you enroll in 3 courses that fulfill a single track, they should group together, showing that the track is in-progress or complete. Any other courses you have completed that could have been track courses should then move to technical electives or free electives.

I took a special study (AOE 4984) that was supposed to count for my track. But, in my DARS I don't see it there. What's going on?

- Special studies do not automatically go in a track in DARS.
- If you have taken a special study that is supposed to count in a track, contact your advisor to request a substitution placing it in that track.
