FAQs of the Month

1. **What is a DARS report?**

   ➢ A "Degree Audit Reporting System" (DARS) report is used to see if you have completed your degree requirements. Apply for your degree through Hokie Spa prior to requesting a DARS report.
   ➢ Your DARS report includes sections for CLE/Pathways, major/minor requirements, free electives and in-major GPA. For more information, check out the Registrar's DARS information page.

2. **My Pathways 1a (advanced discourse) class is red in DARS. Do I need to add an additional course?**

   ➢ Pathways 1a is fulfilled by AOE coursework.
   ➢ You do not need to select an additional Pathways 1a course. As long as you finish your AOE degree this requirement will be completed.

3. **What should I do if I am confused about my DARS report or think that it has a mistake?**

   ➢ Run a DARS anytime you adjust your course schedule, or at least once per semester!
   ➢ If you have a question about the sections for CLE/Pathways or major requirements, see your AOE advisor. If you have a question about a minor, contact the department that manages the minor.
   ➢ Track courses may show up under different tracks at first. Once you enroll in 3 courses that fulfill a track, they should group together, showing that the track is in-progress or complete.
