FAQs of the Month

1. I’m debating whether to withdraw (use a W) from a course. What should I do?
   ▶ It is a good idea to speak to your professor & advisor about the course before using a W.
   ▶ Make sure you understand how using a W will affect the courses you are able to take next semester. Think about prerequisites!
   ▶ Withdrawing may cause you to need summer courses and/or take another year to graduate.
   ▶ You may only use 3 W’s while at VT.
   ▶ To withdraw, complete the online course withdrawal request form by the Dec. 9th withdrawal deadline.
   ▶ An advisor signature is not required.

2. How do I add a minor?
   ▶ Add the minor through the appropriate college.
   ▶ For minors in COE, you'll need to do this through an online form during the Change of Major/Minor cycle.
   ▶ For College of Science, use the form found here: https://www.science.vt.edu/resources/forms.html (scroll down to change of major form) and submit here: https://forms.gle/SCU7KzinRc2h1rRM6.
   ▶ Unrestricted minors in COS (i.e. MATH) do not require departmental signatures on the form.
   ▶ For minors outside of COE or COS, contact the department offering the minor for help adding it.
   ▶ For more information about minors, look at the minors checksheets on the Registrar’s website.
